There was no one more disappointed than I, to have to announce that this year's village fete was to be cancelled. A figurehead is required to lead a team, who will organise the event, and unfortunately we were short of a figurehead. There were many offers of help and assistance, but no one came forward to actually take charge of the coordination. The job itself is extremely rewarding, the fete is always well received and so many will be disappointed this year. There must be someone out there who would like to take on the challenge for 2014. Organisation and delegation skills are all that's required! If you are interested then please contact me, and come to our AGM in October. I look forward to hearing from you!!
